Rules of Transfer Application:

1. Application to be completed in duplicate, original forwarded to the State Secretary/Registrar.
2. Transfers will be granted upon approval by the Australasian Secretary. Players are eligible to play for a Club once transfer has been lodged with the State Secretary/Registrar and whilst transfer application is being processed.
3. A transfer is primarily a matter between a player and the appropriate authority. Unless a player's former Club has a valid reason as to why a player may not be granted a transfer then his/her former Club has no right to deny or not recommend the transfer be granted. Where a Club has a valid reason not to recommend the transfer, it is that Club's responsibility to state such reasons in writing to their State Committee.
4. A player may transfer from a State to another State and back again once only during a season.
5. A player is tied to the last Club they played for irrespective of the length of time from their last game with that Club and as such requires a Transfer to play with a new Club
